Petitioners' grievance is that line proposed over their properties will cause great hardship to them. The electric line, if to be drawn over private properties should be in such a way as to reduce the inconvenience to the minimum. In any case, since statutory authority is the ADM to consider the objections, I dispose of the writ petition directing 2nd or 3rd respondent, whoever is in charge, to refer the objections of the petitioners to the ADM for his decision and proceed to draw the line based on the order of the ADM. However, if the line is only weather proof cable, then, there will be direction to the respondents 2 and 3 to give connection to beneficiaries, provisionally, through weather proof cable and make changes as and when ordered by the ADM.
